YOUR AUDIENCE THE EXPERIENCE OF A LIFETIME!**

David Glickman has been a professional speaker and entertainer for over 20 years and has presented over 2000 programs. Before transitioning from "show business" to "speech business," he worked with everyone from The Beach Boys to Steve Martin. In the late 1990's, David moved into professional speaking. He specializes in customized humor and is able to "find what's funny" in the many healthcare groups to whom he's spoken.
