

## On-Stage Introduction

If “laughter is the best medicine,” then our next presenter should be covered by every insurance.

David Glickman has been a professional speaker and entertainer for over 25 years, and is a member of the Speaker Hall of Fame.

He’s worked with Steve Martin, he’s been the opening act for Ellen DeGeneres, and he even performed at Gloria Estefan’s birthday party.

Prior to his career on stage, David worked in the healthcare industry. He says that he can credit his years of working in healthcare....for driving him into comedy.

Now, here with “A Dose of Healthcare Humor,” please welcome David Glickman.
